**Olga Skrypnyk**

CRIMEAN HUMAN RIGHTS GROUP  
(UKRAINE)

## MODERATOR

**Florian Irminger**

HUMAN RIGHTS HOUSE FOUNDATION

## Briefing by human rights defenders based on their documentation of human rights violations in Crimea.

The human rights situation in Crimea has seriously deteriorated since the occupation by the Russian Federation. Russian-installed authorities have conducted a severe crackdown on civil society and political opponents. Russia has imposed its laws and justice system on the peninsula, and restrictions on public demonstrations, civil society organisations, the media, and others are routine.
